SECOND INFORMATION LETTER
International Scientific Conference
“ADVANCED MATERIALS, NANOTECHNOLOGIES AND SOLAR MATERIALS SCIENCE FOR SUSTAINABLE DEVELOPMENT”
ICAMNSM-2026
29–30 October 2026

Dear Colleagues!

The Institute of Materials Science of the Academy of Sciences of the Republic of Uzbekistan invites scientists, researchers, university faculty, representatives of industrial enterprises and innovative companies, young scientists, doctoral students, and students to participate in the International Scientific Conference “Advanced Materials, Nanotechnologies and Solar Materials Science for Sustainable Development”, which will be held on 29–30 October 2026 in Tashkent and at the Big Solar Furnace (Parkent District, Tashkent Region, Republic of Uzbekistan).

The aim of the conference is to discuss current achievements and prospects for the development of materials science, nanotechnologies, solar energy and solar materials science, to develop international scientific and technical cooperation, and to promote the implementation of innovative developments for addressing sustainable development challenges.

Publication of Conference Materials

Conference materials will be published in an electronic proceedings volume with an ISBN and posted on the official conference website. Abstracts in English are accepted for publication. All submitted materials will undergo technical review for compliance with the conference topics and formatting requirements.
